

Allina Medical Laboratories Presents:  
Continuing Education with  
Accreditation through Pace

AML will be sponsoring quarterly CEU presentations on varying topics at locations around the Metro. For anyone unable to attend these presentations, we are taping the presentation and making it available for viewing at your clinic. We have a limited number of tapes available and are, therefore, asking that the tapes be returned within two weeks of receipt.

In order to receive Pace credits, a supervisor or manager must sign the attendance sheet. In the packet there is a master copy of the Pace form and also a master copy of the evaluation form that may be copied and distributed to all employees viewing the video presentation. Please return the completed forms with the video to AML.

Also included in the packets is a master copy of the presentation to use in conjunction with viewing the tape. Please make as many copies as necessary.

For any questions you may have please contact your account rep or Kay Zemlicka at 612-262-5067.
