

**Sysmex Fall 2009
Web-based Educational
Conferences**

Join us for any – or all – of
our Sysmex 2009 Fall Series
of complimentary web
seminars on a variety of
topics relevant to your
clinical laboratory.

Each of our four webinars
will be provided by expert
speakers in their field.
You and your lab staff will
also be able to receive 1.0
P.A.C.E. / Florida CEU per
session.

**Webinar 1:
September 23, 2009 12Noon – 1PM CST**

**Implementing the Immature Granulocyte Count and
Other Unique Clinical Hematology Parameters – It's
Easier than you Think!**

**Presenter: Judy Miller, MT(ASCP)SH Hematology
Technical Supervisor
BryanLGH Medical Center Lincoln, Nebraska**

Webinars 2 – 4 will follow in October, November
and December. More details will be available as
we approach these dates. Watch your mail or
visit our website at www.sysmex.com/us.
