

Advancing Excellence

System Inspection

The College of American Pathologists

recognizes that the laboratory system named below

Allina Hospital & Clinic

System ID: 1363361

has successfully participated in the System Integration Inspection process. The Laboratory Directors and their staff members are to be commended for their efforts and support of this unique inspection process that ensures continued excellence in laboratory service.

Paula Wilkes, MD

Chair, Commission on Laboratory Accreditation

Paula N. Schwartz, MD PhD FCAP

President, College of American Pathologists
