**To:** Reference Laboratory Clients  
**From:** Allina Medical Laboratories, Reference Laboratory Services  
**Date:** October 19, 2009  
**Re:** Pediatric TSH Reference Ranges

---

On **Tuesday October 6, 2009** Allina Medical Laboratories added Pediatric Reference Ranges to TSH results.

The TSH Pediatric reference Ranges adopted are:

< 30 Days:	0.43 - 16.10 mIU/L
1 - 24 Months:	0.62 - 8.05 mIU/L
2 - 7 Years:	0.54 - 4.53 mIU/L
7 - 12 Years:	0.66 - 4.14 mIU/L
12 years and older:	0.34 – 2.50 mIU/L

If you have any questions in regards to this information, please contact your Allina Medical Laboratories Account Representative.
